Assist. Prof. Dr. Ludmil Vagalinski NIAM-BAS

Members:

Miglena Kuzmanova ESRI Bulgaria
Nadezhda Kecheva SCGIS Bulgaria & NIAM-BAS
Assist. Prof. Dr. Andrey Aladzhov NIAM-BAN
Assist. Prof. Georgi Jeleu SRTI-BAS

The Second European SCGIS Conference is organized by the "Society for Conservation GIS (SCGIS) Chapter Bulgaria" together with ESRI Bulgaria, Space Research and Technology Institute – Bulgarian Academy of Sciences and National Institute of Archaeology and Museum - Bulgarian Academy of Sciences. The main idea of this event is to invite people from various scientific fields dealing with the conservation issues through GIS technologies and to popularize the international organization SCGIS (Society for Conservation GIS).

EDITORS:

Vanya Stamenova
Stefan Stamenov

This Collection contains full-text papers presented orally or in the form of posters during the Second European SCGIS Conference, which was held on 24 September 2013 in Sofia. The Collection includes papers which were sent within the due term and were drafted in accordance with the preliminarily announced instructions. The papers submitted by the authors have not been scientifically edited, but have only been subject to technical processing.
